Dear Parents/Carers

## Cooking School Workshop

On Wednesday 11<sup>th</sup> March, Cook School will be attending Merrydale Junior School to host a cookery event with our Year 3 and 4 children.

The children will be taught how to make spring rolls which they can taste and bring home. The event is free of charge and a great opportunity for the children to learn some cooking skills while having fun cooking, in a safe and supervised environment.

Cook School's ambition is to help children to understand food, teach children how to cook basic, healthy meals and give them the skills and the confidence to repeat cook at home for their family and friends. You can visit their website at [www.cookschool.club](http://www.cookschool.club)

All ingredients and equipment are provided by Cook Club who have been sponsored by Pho Leicester. The children will receive a goody bag to bring home with them as well as the spring rolls that they will have made themselves!

**It is very important that if your child has any food allergies (food which they cannot eat due to health reasons) that you contact the school office before 11<sup>th</sup> March so that we can make the Cook School Team aware of this.**

If you have any questions or queries regarding the above please contact the school office on 0116 276 7708.

Kind Regards
