

# Discovery Schools Academy Trust

## Laptop Donation Scheme for Schools in Leicester and Leicestershire

Back in May, we asked for your support and we had many kind individuals, families and businesses donate devices to our schools. Unfortunately, we still need additional devices. If you are willing to donate your redundant laptops or tablets that are less than 5 years old, then we would love to hear from you.

As a Trust we want to be pro-active for our pupils by helping to provide devices for children that need them the most and who for numerous reasons cannot acquire one.

### **WE WOULD LIKE YOUR HELP AGAIN!**

You will be helping to empower a child, or families with children and you will be supporting them to improve their learning at home.

### **PLEASE HELP, DONATE TODAY!**

To ensure donated devices are safe for our pupils in the Trust, our Technical Support Team will clean, regenerate and upgrade these laptops into purposeful learning equipment.

Please bring your old laptops or tablet devices to the school office if your child attends this school or if you are a business who would like to donate then please contact:

Jo Stone via this email address [jstone@discoveryschoolstrust.org.uk](mailto:jstone@discoveryschoolstrust.org.uk) and we will arrange a safe collection date and time.

Thank you for your support.
