

Merrydale Junior School

Be the Best you can Be!

Headteacher: Catriona Mugglestone

Deputy Head: Antony Corbett

Information on your Home Learning Pack

To support your child's education and learning at home during the current school closure we have put together a home learning pack for your child to use. This pack includes a range of resources to ensure that your child can continue to learn and consolidate their knowledge, skills and understanding whilst at home.

Each child has been provided with a range of books to read, a booklet of curriculum-focused independent learning activities and they all have their own individual access to a number of on-line learning platforms.

Century AI – reading, grammar & spelling, maths and science <https://app.century.tech/login/>

Times Table Rockstars <https://trockstars.com/>

Class Blog <https://merrydalejuniors.net/>

Accelerated Reader <https://ukhosted57.renlearn.co.uk/2242511/>

On our website we have a learn from home page which includes links to other websites and resources suitable for home learning. One of these is <https://www.curriculumvisions.com/> This fantastic site includes interactive video books linked to curriculum subjects including history, geography, RE and science. To access this website and resources the login details are:

Username: MerrydaleJunior

Password: Office246

There is an expectation that your child completes the work set for them. Their class teacher will be contacting their class daily – please ask your child to check their class blog or Microsoft Teams to see what work has been set for them.

Please keep these resources safely together in one place at home so they do not get lost. Reading books, exercise books and stationery provided to you will all need to be returned, once schools reopen so please encourage your children to treat all these resources with care.
