Dear Parent/Guardian

Notes for completing the vegan/meat, fish & egg free meals request form

Please complete all sections on the form.

Once the form has been completed, please return to the address at the bottom of the form; and **keep a copy for your records**. Once we have received the form, you will receive a special menu for your child by post.

Please allow 15 school days for your menu to arrive

At certain times of the year this maybe longer due to increase volume of forms being sent in this tends to be September & October.

Once you have received your child's menu we ask that you contact your school cook supervisor to confirm that you are happy with the menu and discuss a start date. Your child's school cook will also get a copy of the menu.

Until you have confirmed the start date for your child's vegan/ meat, fish & egg free menu, your child should be having a packed lunch provided as the school kitchen will have to order in specific products for your child.

Thank you for taking the time to read this information and please do not hesitate to contact us if you have any further queries or concerns.

Photo consent

To help the catering staff in the school kitchen it is useful to have a photo of your child to identify them and to make sure that they get the correct special diet menu.

We would recommend that all parents give consent as this does make it easier for school catering teams to recognise your child and tick the box and **send a photo to your school kitchen**.

Please note: other school related staff and contractors may have access to the school kitchen, and you can withdraw this consent at any time by contacting your school catering team.

Yours sincerely,

Paula McKee
Senior Dietitian (School Meals)

Jessica Mhesuria
